Re. Cornucopia Hybrid Energy Infrastructure Project Certification

Dear Members of the Joint Legislative Budget Committee:

Governor Newsom has determined that the Cornucopia Hybrid Project in Fresno County is eligible for streamlined judicial review under Public Resources Code Section 21178 et seq. Pursuant to Public Resources Code Section 21184, I am forwarding [the Governor's determination](#) to the Joint Legislative Budget Committee. If the Joint Legislative Budget Committee fails to concur or nonconcur on a determination by the Governor within 30 days of the submittal, the leadership project is deemed to be certified.

If you have any questions or comments, please do not hesitate to contact me or my staff.

Sincerely,
