Pursuant to Section 19.56 of Chapter 249, Statutes of 2022, the Department of Finance respectfully submits amendments to Section 19.56 as shown on Attachment 1, which reflects changes to state entities and local fiscal agents authorized to allocate funding appropriated in Section 19.56. Under Provision 6 of this section, Finance may authorize the transfer of allocating authority to a different state entity and/or local fiscal agent to facilitate the expenditure of the funds as intended by the legislature.

Attachment 1 identifies the authorized changes to local fiscal agents in Column C and allocating authorities in Column E. Finance worked in close consultation with legislative staff to coordinate this change.

Finance requests an expedited review of the submission and a waiver of the 30-day waiting requirement.
