Re: Sites Reservoir Project, SB 149 (2023) Infrastructure Streamlining Program
Certification

Dear Senator Skinner and Assemblymember Ting:

Governor Newsom has determined that the Sites Reservoir Project, located west of Maxwell, California, is eligible for streamlined judicial review under Senate Bill 149 (2023-2024 Reg. Sess.), Public Resources Code Section 21189.80 et seq. Pursuant to Public Resources Code Section 21189.84, subdivision (c), I am forwarding the Governor's determination to the Joint Legislative Budget Committee. If the Joint Legislative Budget Committee fails to concur or nonconcur on a determination by the Governor within 30 days of the submittal, the leadership project is deemed to be certified.

If you have any questions or comments, please do not hesitate to contact me or my staff.

Sincerely,
